McCARTER TAKES HANDICAP AFTER A HARD DRIVE WITH DREAMER.

Chief Hayes Scores for Schreiber-Sunglow Wins Steeplechase-Accountant Will Not Start in the Suburban.

New York, May 22 .- Quantity ruled the racing at Gravesend today, though there was a sprinkling of quality in the Manhanset Stakes for two-year-olds and the overnight handicap for three-year-olds. The even races were all well filled, but those for cheaper horses were overrun with starters. In spite of the big fields, form was well maintained, four favorites winning

Herman Brandt, trainer for Barney Schreiber, won a race, of course, for this is a daily habit now. Chief Hayes at 8 to 1, which beat a big company of platers for the opening sprint, was the Schreiber winner. His starter for the Manhanset Stakes, Seymour Beutler, was well backed also but never looked like beating Transvaal and C. W. Burt, though he was always third best.

McCarter showed that he is a colt of good class by standing a hard drive to win the handicap from Dreamer and De Mund. The latter was giving weight to each of the others and ran the best race he has shown this season. He held on in a much gamer fashion than usual when caught a half fur hong out after leading to that point. Dreamer was well backed on the report of fast work, but Miller's energetic finish and McCarter's staying brought defeat for his followers.

The steeplechase was notable inasmuch as each of the twelve starters finished the course. This was first rate showing over the cramped Gravesend course, especially as several of the horses were racing for the first time through the field. Sunglow, the winner, ran a good race for a green horse, but required a lot of riding and a less capable jockey than Owens would hardly have won with him. Buckman, which was heavily backed, would probably have won but for making a msitake at the last fence but one He will do better another day.

R. L. Thomas, the Kentucky turfman and his friends just missed putting through a good sized coup when Transvaal got up to beat C. W. Burt for the Manhauset. Had Shilling hugged the rail on the turn for home with C. W. Burt, he would pronably have won. Miller stole an advantage here, but for which Transvaal would have been no better than nd, if that.

Miller and E. Dugan divided the riding hono each piloting three winners. E. Dugan is rapidly coming to the front. For so small a boy, he rides with good judgment and is not afraid to take a

INFERNO'S SPLENDID PERFORMANCE. FIRESTONE TRIUMPHS IN FAST TIME: Merry England Turns the Tables on Preen-Seven Races at Toronto.

Toronto, Ont., May 22.-Inferno, Joseph E. Sea gram's home-bred colt, here considered the best horse ever foaled in the Dominion of Canada, made his first appearance of the season in the handicap which featured the card at Woodbine this afternoon and came out of the race with flying colors. Inferno, conceding weight to everything in the race, shouldered 126 pounds, trailed the others for six furlongs then went to the front and, drawing away under restraint won by eight lengths in little better than a canter. From a time standpoint the race was a remarkable one, as Inferno ran the mile in 1:39½, within a fifth of a second of the track record made by Sir Ralph, with only 104 pounds up. McDaniel worked Inferno out an extra furlong and his time for the mile and an eighth was 1:52%.

Colonel Jack, the Ascot Derby winner, was the namer up. This colt was well fancied by his people, who made no secret of the fact that they ex pected to beat the Seagram crack. Colonel Jack made a game effort but he was not equal to beating a horse of Inferno's class. Inferno is in better condition just now than he was last spring and if he retains his present form he will prove trouble-some to some of the eastern cracks when he meets them on the New York cours

The Seagram colors were also seen in front when Merry England won the first race, a five and a half furlongs sprint, in which he met among other Preen. Despite his defeat on the opening day by Preen, Merry England had a large following and was always the public's choice in the race. McDan-iel rode Merry England with good judgment. He permitted La Gloria and Preen to race themselves into exhaustion in setting a fast pace and delayed his move until straightened out in the homestretch where he moved up and taking command at sixteenth post, outstayed Charlie Eastman in the final drive and won by a head.

A majority of the races furnished keen contests

in which the successful 'ones were forced to stand hard drives to win by short margins. McCarthy's weak finish was responsible for Thistle Do's defeat in the third race. When he had a winning lead at the sixteenth post, McCarthy became careless with the result that Picaroon managed to get up in the very last stride and beat him out a head. It was necessary because of the number of entries in the first race to make a split and have a seventh race

Lotus Eater, the Barbarity Stable's candidate for the Toronto Cup, worked a mile this morning in 1:39g. Minnie Adams, in company with Missour Lad, worked the same distance in 1:42. This was good work for Cook's mare and she is in great

Joe McLennan has arranged with J. U. Strode to manage his apprentice rider. Gaugel, for the re mainder of the season on the northern circuit and in future will look after the boy's engagements

Ralbert, which was bought by the Nugent Broth ers, of St. Louis, from J. C. Milam at Louisville last week, reached here in good condition and will be trained by W. H. Mosby. The Nugent Brothers are rated as the largest horse dealers in St. Louis and are a new acquisition to the ranks of thorough bred owners.

Most of the prominent stables racing here will ship direct to Montreal.

A card fully up to the high standard of the meeting is offered for tomorrow and, with Ellicott, Assemblyman, Toscan; Lawrence P. Daley, Larikin. Florence T.; Ormonde's Right, Cobmosa, Daring; New Mown Hay, Tourenne, Factotum; John O'Grady, Chatelaine Firefly: Abinro Matabon and Foxmead among the entries, a big attendance should be attracted. T. K. Lynch.

MONTREAL COURSE IS FAST.

Montreal, Que., May 22 .- The program book for eleven days of the Montreal Jockey Club's meeting at Blue Bonnets track, June 4 to 15, shows six races each day-some days seven races with conditions to suit racers of all classes. There will be a steeplechase every day and the pink coat set with their hunters have been provided for. There will be no charge for licenses at this track. The licenses issued by the Ontario Jockey Club and the turf governing bedies in the United States will be recognized.

The track is lightning fast. Charles W. Leavitt the expert track builder, says it is the fastest new track he ever saw. "If I could find top soil like this on Long Island," said he, "I could sell it by the pound." Mr. Leavitt remeasured the course and found it to be two and three-tenns inches over the mile and an eighth.

FOREIGN BOOK AT ALGIERS.

New Orleans, La., May 22 .- It is the intention the Suburban Racing Association to open a foreign book at its half-mile track in Algiers across the Mississippi river from this city, tomor This track began with Sunday racing last November. As the winter wore along there was racing also on holidays. After the close of the regular tracks here in April the merry-go-round was opened for continuous racing. The racing has been desolatory and has been attended only by the hoi polloi. This latest move is born of the com-petition which comes with the opening of the new track of the Louisiana Driving and Running The fact that the operation of a foreign book is a violation not alone of the rules of all governing bodies of racing, but of a state law does not seem to matter with the Suburban Park man-

Runs Five Furlongs in 1:00 1-5-Sir Brillar Equals Track Record in Handicap.

Oakland, Cal., May 22 .- Today's racing was in teresting and from a time standpoint sensational. The promised appearance of Thomas H. Williams' crack two-year-old Firestone in the opening race was the magnet that attracted an augmented crowd of race-goers. The celebrated brother in blood to Frank Lord, achieved a brilliant victory in marvelously fast time-1:00% for the five furlongsstamped himself one of the very best youngsters ever bred in California.

The coast record, 1:42 flat, for one mile and fifty yards, was also equalled in the handicap by Charles J. Casey's improved horse Sir Brillar.

Only one public choice was successful today and was Firestone at prohibitive odds, starter's bungling work in the last race was re-sponsible for the defeat of the heavily backed Blagg. This was a crushing blow to the rank and file of bettors.

An average card, mostly for the selling platers. is offered tomorrow and, with Michael Mulvaney, Tarrigan; Little Joker, Ray, Hi Col Cap; El Chinuahua, Last Faustus, Nabonassar; Sun Mark, Baron Esher, Pickaway; Syeamore, Mechant, Treas-ure Seeker; Cabin, Fair Fagot and Lem Reed among those entered, the sport should be of H. POOLROOM MAN IS FINED \$1,000.

Cincinnati, O., May 22.—A. L. Kirby was convicted in the Circuit Court at Covington, Ky., yesterday on an indictment charging him with runing : poolroom in West Covington and fined \$1,000, the heaviest fine ever inflicted by a Kenton County jury for a similar offense. J. B. Respess, who was jointly indicted with Kirby, was acquitted by the jury, the prosecution failing to show that he had any con nection with the business. There will be no appeal from the verdict.

GERST HORSES TO GO EAST.

Louisville, Ky., May 22.-Trainer Will McDaniel will ship twelve of William Gerst's horses to Sheepshead Bay tomorrow night. In the string will go Zal, which recently worked three-quarters William Gerst's horses in 1:13. This practically means that Zal will not be a starter in the Latonia Derby.

A. J. Levy, A. J. Moody and C. H. Williams will depart with their strings next Sunday for Hamilton, Ont. Ed Trotter and J. R. Wainwright will go to the same track Monday. J. W. O'Neall left tonight for Denver with six horses.

LOUISVILLE HANDICAP WEIGHTS.

Louisville, Ky., May 22.—Weights for the Louisville Handicap to be run Saturday next were assigned this afternoon by Secretary Davis to the sixty-seven eligibles. Don Domo is given the top impost of 118 pounds. Next in order comes Hyperion II., 417; The Minks, 114; Col. Jim Douglas, 114; John Carroll. 113; Toboggan, 112; Charlie Eastman, 111; Old Honesty, 111, and Colloquy, 110. The minimum weight, 82 pounds, is allotted to Betty Miller and True Dora.

NOTES OF THE TURF.

Sir Huon is being edged up at Sheepshead Bay, is doing well and about ready for the races.

Aeronaut, which has not been seen in public since he broke down at Saratoga last summer, is about his work again and going soundly at Belmont Park. The New York critics give Master Lowe much praise for his handling of Beacon Light in the Brooklyn Handleap race. He is said to have shown judgment, courage and strength in the effort.

"Chicago" O'Brien's speculation over the Brooklyn Handicap cost him \$30,000 or so. It was all placed on Go Between in the one-two-three books at about 7 to 10. E. R. Thomas' bet on the same horse straight was \$10,000.

The Newcastle Stable folks shared in the plunge on Beacon Light for the Brooklyn. Com Welsh, their trainer, had charge of the horse for the race, he being turned over to Welsh upon his arrival from Kentucky last Sunday.

JOHN MARRS' THIRD VICTORY

GRATER'S COLT WINS BASHFORD MAN-OR STAKES-LOWERS RECORD.

Will Be Sent East After Filling Engagements at Latonia-Mike Sutton Gets Best of the Start.

Louisville, Ky., May 22.-John Marrs made good all the pleasant things said about him heretofore, when he won the Bashford Manor Stakes at Churchill Downs this afternoon. It was his third start and third victory. He lowered the track record of :54½ for four and one-half furlongs, made by Silverdale in 1900, to :54, and could have gone faster if urged hard. It was a sterling performance. In the speculation John Marrs always ruled the public's choice and received most of the sup-Great Pirate and R. C. Rann also came in for sufficient attention to keep their prices steadily around the opening figures.

The horses started in even order and Honest, showing superior speed, dashed into a good lead.

John Marrs was his closest attendant. Great Pirate trailed the latter. At the stretch bend Honest began tiring and John Marrs dashed by At the stretch bend him. Going about his work in a business-like way he had no difficulty in getting home by a safe margin. Great Pirate, in addition to suffering from interference, wrenched one of his plates, but despite these difficulties finished with a great rush and wore down Honest for second place. He pulled up, limping perceptibly. The po of R. C. Rann was surprising. The The Milam colt at no stage was a serious factor. Dr. Mathews ran green and will show improvement. This colt is credited with having worked a quarter as

Trainer Grater, who is handiling John Marrs, says he will reserve the colt for the Harold Stakes and Cincinnati Trophy at Latonia and then ship bim to

Today's card was a good one and as fine weather prevailed there was a big crowd in attendance. Mike Sutton's victory in the mile race was due largely to his advantage at the start. The others got away in a tangle. Austin, quick to take the advantage, shot Mike Sutton into a long lead which the others could not overcome, although Polly Prim made desperate effort in the final furlong. Fleming held on long enough to take third place from Lady Savoy, the favorite.

The proverbial blanket would have covered the first seven horses at the finish of the fifth race. Alencon, under a terrific drive, got the verdict over Barnsdale in the closing strides. In close order followed Soprano, Sagapanak, Beatrice K., Lady Carol and Vohoome. Soprano was best, but a poor ride on the part of Ott and interference due to Swain's rough tactics brought about her defeat.

Skyo, the winner of the opening race, showed considerable merit by the easy manner in which he disposed of the others. The race was noteworthy for the plunge on Dona H. for place and to show, her backers forcing the layers to cut her to 4 to 1 and 6 to 5 for those positions.

Webber and Reuben fought it out hammer and tongs in the second race, the former getting the decision in the final stride. By Evran's number was displayed as third, but later as taken down and Bert Osra awarded that position

After drifting in the speculation from 21 to 1 to almost double that figure, thereby causing many unpleasant remarks. Envoy surprised the skeptics by winning handily in the closing race.

Jockey Lee on Rather Royal, came near causing a bad spill by cutting across the others on the first turn. Florizel was the chief sufferer.

Javanese, which was recently claimed by J. Diel, is ailing and had a fever of 105 this afternoon.

A cracking good card is announced for tomorrow afternoon and with such fast ones as Budge Work, Wine Merchant, Synchronized; Warner Griswell, Kaiserhoff, No Quarter; Funiculaire, Colonel Douglas, Posing; Parisian Model, Black Mary, Geneva S.; Jacquin, Pasadena, Frontenac; King Leopold, Oberon and Adesso among those likely to run, excellent racing is in prospect. J. L. Dempsey.

CORRIGAN'S HORSES GETTING WELL.

Edward Corrigan was here over Sunday on busi-ess and "visiting" his horses at Hawthorne. Mr. Corrigan has nineteen horses at the Cicero track and for a fortnight or more he was somewhat wor ried about them. They are mostly two-year-olds and caught distemper in the south, where were racing. The air at Hawthorne suits them and they are coming around all right. They are now trotting and cantering. Aside from four of Hennessey's these are the only horses at the track. Superintendent Thomas Loonan has the Hawthorne plant in good condition. The buildings are all in order and the grounds have received as much attention as when racing was in vogue. Right

now a good horse could run a mile in 1:42 or 1:43 over the track, and with three or four days' work the course could be made ready for racing.

INCREASE IN PURSES VOLUNTARY.

"That statement is not true," said Edward Corrigan, in speaking of the report published in the Cincinnati Enquirer of last Sunday to the effect that the purses at Churchill Downs had been raised at the instigation of the Kentucky Racing Commission. "The increase was voluntary on the part of the Louisville Club and was voted at a meeting of the directors held some ten or fifteen days ago."

ABOUT THE TWO-YEAR-OLDS

Sudden Start, the chestnut colt by Star Shoot-Chicora II., which is carded to make his debut at Gravesend today, was bred by Colonel E. F. Clay at Runnymede Stud and was sold to H. B. Duryea as a yearling last June for \$2,600. He is a half brother to Wilhelmina, Jack Dixon, Portia Swett and Charles G. Gates. About the time that Mr.

rumors of the fast trials Charles G. Gates had shown E. R. Bradley. He was heralded as a world-beater, but he is still a maiden. He made eleven starts last year and earned \$100.

Orcagna, the chestnut colt by Ornament-Lucasta, by Hayden Edwards, is a half brother to seven winners—Lovable, Birdie P., Fonsoluca, Warte Nicht, Foncasta, Parvo and Kinders. Orcagna was bred by the late Charles F. McMeekin at Oakwood Stud and was sold by his estate to J. A. Bennet for \$1,550. Lucasta was berself a winner for two seasons and is a full sister to the good winner Dante.

Rara Avis, the brown colt by St George Hundley, was bred by Baker & Gentry at Darnaby Place in Kentucky and was sold to William Wallace, bidding for J. W. McClelland, for \$950. Hundley was one of the highest tried horses ever trained by the late Sam Bryant. He boasted that he would win the American Derby with her in 1900, but she failed to stand training and was to stand training and sent to the stud. Burlesque and Lady Washington are the two of her produce that have raced, but neither is a winner.

Monopolist, the bay colt by Garry Hermann Monadour, was bred by the late Captain S. Brown at Senorita Stud and was sold by brother, Captain W. Harry Brown, to J. H. McAvoy for \$5,000. Some weeks after the sale T. J. Healey took a great fancy to the colt and called he attention of Oscar Lewisohn to him. He filled Mr. Lewisohn's eye to the extent that Healey was instructed to buy him. After much dickering with McAvoy he got the colt for something like \$7,000. Monadour was a speedy mare and was a good winner at two and three years old.

Dream On, the bay colt by Sleipner-Hora, is the first foal of his dam. Hora is now only five years old. She was never raced and was reserved for the Rancocas Stud in New Jersey, where Dream On was bred and foaled. J. McLaughlin bought the colt for \$300 and from him Dream

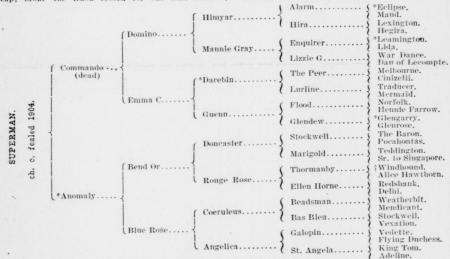

On passed to F. J. Lantry. Bolando, the bay colt by Altamax—Ella Boland, is a half brother to Boloman and David Boland. He was bred by Burns & Waterhouse at Candelaria Stud Farm in California and was knocked down to J. Fitzgerald as a yearling for only \$25. It may be that this fellow will prove a rare bargain. Ella Boland was probably the best two-year-old in California in 1899.

TABULATED PEDIGREE OF THE BROOKLYN HANDICAP WINNER.

In winning the Brooklyn Handicap at Gravesend Monday Superman made his thirteenth start and scored his third victory. He made his debut on the turf by winning the Expectation Stakes at Gravesend May 21, 1906, starting eight times afterward as a two-year-old. He was second to Charles Edward in the National Stallion Stakes; third to Water Pearl and Ballot, his stablemate, in the Great American Stakes; second to Oran in the Foam Stakes; third in the second part of the Double Event to Water Pearl and Peter Pan, his stablemate, and third to Salvidere and Chaseaway in the Brighton Junior Stakes. In his other three races he was unplaced.

sixteenth at Belmont Park by winning a handicar in 1:445 the next time out, and came back to win the Brooklyn over a muddy track in 2:09. he has brought James R. Keene, his breeder and owner, \$25,760 as his net earnings to date. has many good engagements, among them the Park and Brookdale Handicaps, the Carlton Stakes and the Brooklyn Derby at Gravesend, and Claremont and Van Cortlandt handicaps and Bel-mont Stakes at Belmont Park. He is likewise elito the Suburban Handicap, but is not in the Brighton Handicap.

Mr. Keene paid \$2,000 for Anomaly, the dam of Superman, in England in May, 1900, and brought He began his racing this year by finishing second to Red River in the Paumonok Handicap at Jamaica April 27; was unplaced in the Metropolitan Handicap; broke the track record for one mile and a superman, in England in May, 1900, and brought her to Castleton Stud in Kentucky in 1901. Anomaly was foaled in 1896 and her dam, Blue Rose, is a half sister to the good stallion Order. Following is Superman's tabulated pedigree:

Winner—Br. c, by Sempronius—Web of Fate (trained by E. McCloskey).

Went to post at 3:06. At post 2 minutes. Start fair. Won driving: second and third the same, Webber, running to his best form, forced a fast pace all the way, stood the final drive. Bert Gsra had a rough trip, but closed a big gap and finished gamely. Evran finished fast. Meredith, away in a tangle, closed a big gap and was probably best. Tom Morgan ran a good race for him. Queen Caroline was prominent in the early stages. County Clerk came fast through the stretch. The winner was entered for \$700; no bid.

EARNINGS OF THE STAR JOCKEYS.

A story alleged to have been cabled from London, but more likely the work of some New York pennyaliner, to the effect that Danny Maher is now earning between \$200,000 and \$250,000 a year for his riding in England, has been going the rounds of the press in this country for the past fortnight

"If it was one-fifth of that amount it would be much nearer the mark," said Tod Sloan, as he placed his finger on the figures \$200,000 in the clipping shown him by a reporter in New York one day last week. "While I have never ridden a Derby winner, I have, however, earned large amounts in England and America. The most money I ever received for two races was \$14,000 from W. C. Whitney, for having won the Futurity and Flatbush Stakes on Ballyhoo Bey in 1900. A retaining

of \$30,000 was to be paid me to ride the 'rince of Wales' horses, but I never had a chance to earn it. Another year two retainers, for first and second calls, yielded me \$22,500. The year that I won the Futurity and Flatbush, I earned, in all, \$90,000."

E. H. (Snapper) Garrison, who was the most successful jockey of his day was paid \$12,500 one year by the elder August Belmont for first call. He earned \$23,500 that year in retainers given him the late Marcus Daly, Mr. Belmont and Dr. napp. The late "Pittsburg Phil" paid Garrison inapp. \$10,000 for winning a race on King Cadmus, on

James McLaughlin, champion jockey for years, never received more than \$10,000 as a retaining fee. This was paid him by the Dwyer brothers, and also in another year by George Haukins and Johnny Campbell, when he rode for the Chicago stable. Never in any of his prosperous seasons did McLaughlin earn as much as \$25,000, and he was the first jockey of his time. There is excellent authority for the assertion that when Danny Maher won the Derby on Spearmint last June, he received a present of \$15,000.

Arthur Redfern received in 1904 \$19,000 for two

etaining fees paid him by E. R. Thomas and J. R. Keene. When Redfern won the Suburban on Hermis for E. R. Thomas that man paid him \$2,000.

That year Redfern's total earnings were \$36,000. Another rider who earned large fees was George Odom. He had an arrangement with E. R. Thomas and Alex Shields whereby they were to pay him \$3,000 for each of the big handicaps that he might win in 1903. Odom, at an early date, had been given a retainer of \$10,000 to ride for the late Mr. Whitney. He probably earned \$25,000 in his best

Hildebrand, star jockey for the Duryea-Whitney stable in 1904, must have earned at least \$25,000

Sam Doggett earned large retainers in his best lays (1894 and 1895), but \$25,000 would exceed the amount he made in any one year.

Fred Taral, now in Austria, has earned not less

than \$15,000 annually for the last fifteen years. He rode for Marcus Daly, Walcott and Campbell, Dr. Knapp and others. He has accumulated a fortune, and is one of the few American jockeys who has kept it. Winnie O'Connor, now in France, has earned not less than \$15,000 a year since 1900. Shaw's retainer from Weinberg Brothers in Germany is understood to be \$15,000.

During last year Walter Miller, whose weight is not yet 100 pounds, earned about \$35,500.
